Safer Foundation expanded its reach by opening an office in the Aurora area in 2005. Since then, we have worked with over 250 candidates per year and formed relationships with over 20 employers.

Our Aurora office is staffed with local employees to support both your business and our candidates. Our mission is to create the perfect match between your business and our candidates, mutually benefiting both parties.

Our key industries in Aurora include warehousing, manufacturing and food service.

Some key employers who have utilized our services with positive results include:

- A&D Properties Services
- Ain't She Sweet Café
- Allied Waste
- Angelica's Bakery, Inc.
- CCIL Landscape Services
- Chicago Loop Alliance
- Dunkin' Donuts
- Greencorps Chicago
- KFC
- Metro Kleeners
- Silverline Building Products
- South Chicago Dodge
- Truth Moving & Storage
- Tully Industrial, Inc.
- WRD Environmental

"It is clear Safer Foundation spends time with each candidate before they are sent to us. They notify us if the candidate may be qualified for a higher class position, or has a special technical skill we may need. As a specific example, based on their recommendations, we were able to fill approximately 25 forklift positions in record time."
