

## South Side Chicago Office

Safer Foundation expanded its reach by opening an office in the South Side Community in 2009. Since then, we have worked with over 800 candidates per year and formed relationships with over 40 employers.

Our South Side office is staffed with local employees to support both your business and our candidates. Our mission is to create the perfect match between your business and our candidates, mutually benefiting both parties.

Our key industries in the South Side community area include landscaping, manufacturing, warehousing and food service.

Some key employers who have utilized our services with positive results include:

- A&D Properties Services
- Ain't She Sweet Café
- Allied Waste
- Angelica's Bakery, Inc.
- CCIL Landscape Services
- Chicago Loop Alliance
- Dunkin'
- Greencorps Chicago
- KFC
- Metro Kleeners
- Silverline Building Products
- South Chicago Dodge
- Truth Moving & Storage
- Tully Industrial, Inc.
- WRD Environmental

*“Working with Safer Foundation and their candidates assisted in increasing production in several ways. First, candidates referred by Safer Foundation came better prepared since they had already completed job readiness training. This training greatly reduced trainee attrition and improved production. Secondly, the subsidy program served as a probationary period, providing the opportunity for trainees to be evaluated before being admitted into the landscape program.”*
